THE MOST FAMOUS UNKNOWN MUSIC

We identify our music as post grunge indie rock. We always played music that we liked and managed to develop our own style accordingly, and under the influence of our favourite bands. THE MOST FAMOUS UNKNOWN's debut album is a diverse collection of songs resembling the musical spirit of 90's grunge rock with hints of punk rock and modern indie rock.

THE MOST FAMOUS UNKNOWN BAND

THE MOST FAMOUS UNKNOWN are Marco (Bass/Vocs), Ben (Drums) and Daniel (Guitar/Vocs). The Band was founded in 2012 on a rather drunk but enthusiastic wedding night of Bens and Daniels sister. TMFU hasn't changed its setup ever since. Originating in Hamburg, Germany Ben and Daniel live here for almost 20 years. Marco moved to Hamburg in 2010 from Italy, which explains why the band is talking english all the time.

Fun Fact: Ben and Daniel are actually brothers, as you might have guessed already.

In 2015, the band founded its own label called **TMFU Records** to stay financially and creatively independent. TMFU also loves to invite fellow musicians and friends for a jam session and some beer, which often leads to new ideas and inspirations. So it was only a matter of time until a projects band evolved. Under the working title **TMFU Projects** the band creates, together with the rapper A* the Pathfinder and other musicians, a fusion of rock and rap that makes you bounce. This side project already released "Give it to me, Baby" under the TMFU label, a full album is planned.

THE MOST FAMOUS UNKNOWN ACHIEVEMENTS

Despite rocking and rolling the Hamburg Reeperbahn, THE MOST FAMOUS UNKNOWN gained experience in providing music for motion pictures. When in 2015 the movie "Kartoffelsalat-Nicht fragen" premiered in all cinemas around Germany it featured TMFUs first released single "Give it to me, Baby!". Most recent in 2017, TMFU provided the documentary "Starting Five" with individually tailored music and was featured on the corresponding soundtrack. TMFU's first album was recorded in 2017 in collaboration with Carl Albrecht, Music Made Me Millionaire Studios.
